

ISF BOARD OF AMBASSADOR AGREEMENT

An ISF Ambassador helps to provide the financial engine that drives ISF's mission of providing scholarships, mentoring and leadership development for orphaned and aged out foster care students by sponsoring an ISF student-leader.

An annual financial commitment of \$5000 enables an ISF student-leader to:

- Pursue higher education with the help of an ISF scholarship
- Attend the annual ISF Leadership & Life Skills Retreat
- Participate in a life-changing mission trip serving orphans in an impoverished region of the world through ISF's partnership with Orphan Outreach

ISF agrees to provide regular updates throughout the year on the progress of our mission, along with personal reports regarding the ambassador-sponsored student. Additionally, ambassadors will be invited to participate in such annual ISF events as The ISF Gala and The ISF Leadership & Life Skills Retreat.
